FISHERIES GUIDE

13 fishing lakes in 184 acres of stunning Newquay countryside

WE'VE
INVESTED
FOR 2019

Your **White Acres** lakes guide, fishing rules and information

Whether you're a specimen, match or pleasure angler, this booklet will help you get the most out of your fishing experience at White Acres. Our guide will help you choose which lakes to fish and how to approach them - whether it's your first trip, or if you're a returning guest. For any other queries or advice on fishing our lakes, speak with our Fisheries Team. They're always happy to help!

Our lakes cater for anglers of all ages and abilities plus we have a number of pegs that are wheelchair friendly. Our pleasure lakes are open from dawn till dusk, so whether it's a full day's fishing you're after or just a couple of hours in the morning or evening, we've got it covered.

We provide 24 hr fishing for the dedicated anglers fishing our specimen lakes. For beginners and juniors there's weekly tuition on offer too. This is available on a first come first served basis, please visit The Tackle Shop for more information. Plus you'll find ample parking in three areas, with easy access to the lakes.

The Tackle Shop is fully stocked with all the leading brands of bait and tackle. Why not stop by the shop and stock up on everything you need before heading to the lakes including our own range of pellets and groundbait? The shop may occasionally close while our match weigh-ins or lake maintenance is underway, but this will only be for short periods of time.

The Tackle Shop is open daily from 8am

WHITE ACRES PLEASURE LAKES

Pollawyn 53 Pegs, 3.5 Acres 1

Pollawyn is one of the oldest lakes on the complex. Depths range from 3 feet in the margins to 9 feet on the high bank. Carp range from 2lb to 20lb so substantial tackle is needed. 100lb weights are not uncommon.

BEST BAITS

Pellet and paste or corn.

STOCKING

Carp to 20lb, F1 Carp, Tench, Crucians, Bream, Perch, Roach, Rudd, Chub and Barbel.

METHOD

Waggler and feeder to the island, long pole deep and shallow and long pole to the island where you can reach.

Jenny's Lake 52 Pegs, 5 Acres 3

Jenny's is the ideal lake to take younger anglers to, as you can get bites all day on the pole at 4m. Bigger fish come to the lead, or feeder out towards the island. Average depths from 4 feet to 6 feet.

BEST BAITS

All bait will work on this lake. The bigger the bait, the bigger the fish.

STOCKING

Carp to 18lb, Tench to 6lb, Bream, Crucian, F1 Carp, Roach, Perch and Rudd.

METHOD

Pole and waggler ideal for the smaller fish, you will catch shallow in the warmer weather. Long pole paste or corn.

 peg with wheelchair access

Twin Oaks 36 Pegs, 2 Acres 5

This lake has been designed to make fishing as fair as possible. It is 25 metres wide and 6 feet deep, sloping at 45 degrees towards either bank. This will force the angler into fishing the pole, feeder or waggler. The average sizes of the fish are approx 5lb and match catches in excess of 150lb.

BEST BAITS

Pellet and paste.

STOCKING

F1 Carp, Carp, Tench, Skimmer Bream and Roach.

METHOD

Pole, feeder or waggler. All of these will come into play as the fish back off.

Python 37 Pegs, including 2 wheelchair friendly pegs, 1.7 Acres 2

Python is a snake style lake with a bay at one end. Average depths are 6 feet down the middle to 3 feet in the margins. It has a good stock of Carp and F1 Carp so bites will be plentiful.

BEST BAITS

Pellet, paste and corn.

STOCKING

Carp and F1 Carp.

METHOD

Long pole shallow and deep, feeder in the bay.

Trelawney 32 Pegs, 2.3 Acres 4

Trelawney is designed for the waggler feeder and pole. Approximately 20m wide. Depths range from 3 to 7 feet with plenty of fish in the margins in warmer weather.

BEST BAITS

Pellets and paste, expander pellet or corn.

STOCKING

Carp, F1 Carp, Skimmer Bream, Tench, Roach, Perch and Barbel.

METHOD

The fish come up in the water very quickly. Caster and pellet works. Chopped worm and caster are worth a try.

Sycamore 22 Pegs, plus 3 wheelchair friendly pegs, 1.5 Acres 6

Sycamore is an oval lake with two islands in the middle. It has a large stock of Carp from 1lb to 15lb and strong tackle is recommended.

BEST BAITS

Best baits are pellet and paste, surface baits pleasure fishing.

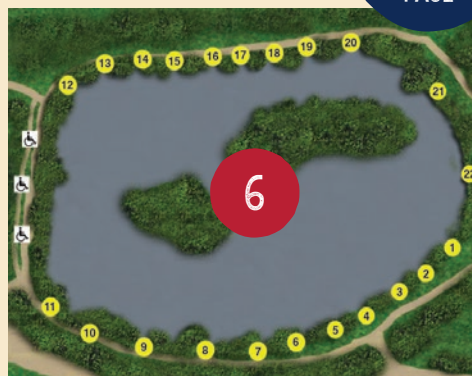

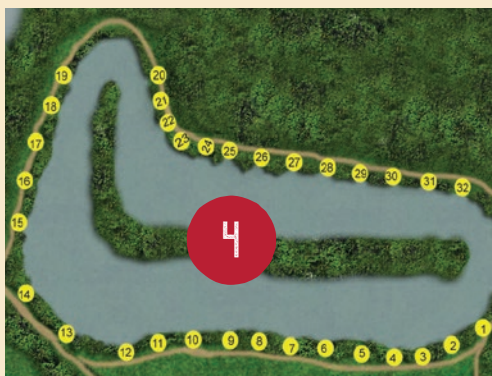

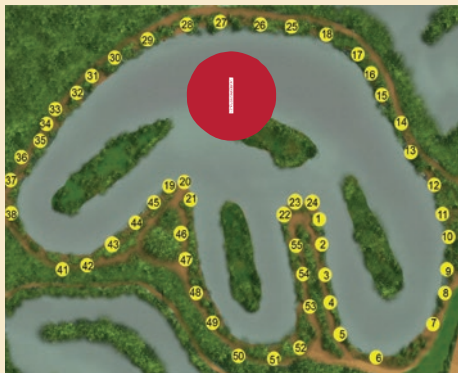

STOCKING

Carp, F1 Carp, Bream, Tench, Roach, Rudd, Barbel and Perch.

METHOD

Best methods are big waggler to the islands, feeder or bomb. Larger baits will pick out the larger fish.

WHITE ACRES PLEASURE LAKES

Eery 14 Pegs, including 3 wheelchair friendly pegs, 0.8 Acres

7

Eery is approximately one acre in size, 7 feet at its deepest and only 18 inches in the margin. This lake is stocked with plenty of small Pasty Carp. Watch out however, as there are a few larger Carp dotted amongst them!

BEST BAITS

Pellets and paste work well, larger baits sort out the better fish.

STOCKING

Carp to 8lb, Bream, Roach, Perch and F1 Carp.

METHOD

Pole deep and shallow.

Canal 20 Pegs, 1.5 Acres

8

Canal has a massive head of F1 Carp and has been designed with the pole angler in mind.

BEST BAITS

Pellets and corn.

STOCKING

F1 Carp, Skimmers and Tench.

METHOD

Long pole to the far bank, down the track and margins.

Acorn 19 Pegs, 1.5 Acres

9

Oval lake with one big island in the middle. Depths range from 6 feet in the middle, sloping at 45 degrees

BEST BAITS

Pellets, paste and corn.

STOCKING

Carp, Skimmer Bream, Tench, Roach and F1 Carp.

METHOD

Long pole deep and shallow, small feeder tight to the far bank.

Important - Please remember to use your own keepnets in matches. Don't forget the etiquette of fishing - treat your neighbour with respect regardless of your peg. Enjoy your fishing and remember White Acres is a holiday park welcoming anglers of all abilities.

HOST YOUR OWN MATCH

Why not come to White Acres with your angling club or group of friends?

You can challenge each other to see who's best by hosting your own match at Trewaters Lake.

Our fisheries team can help you design a package to include all this...

- A Parkdean Resorts trophy for the winner*
- Weigh-in slings and scales
- All the pegging - 36 pegs available
- Post your match results online

For more information about private matches contact The Fisheries Team.

*A trophy is provided when 10 or more pegs are booked at Trewaters.

NATIONAL FISHING MONTH

27TH JULY - 24TH AUGUST 2019

Raise your game - Learn from angling pros during National Fishing Month

White Acres will be supporting National Fishing Month, with the aim of encouraging people of all ages, genders and abilities to grab a rod and reel, get outside and go fishing!

We'll have some of the biggest names in angling on hand to share their secrets and our experts will be available to offer product advice, free demonstrations and live Q&A sessions. Anglers at every level of ability

are welcome, from complete beginners to the more advanced and you'll find specialist tips, tuition and advice for all plus plenty of prize giveaways.

Sound like fun? Grab your rods and reels and get involved! You'll enjoy all the facilities on park, plus learn from some of the best anglers in the country. It's only available by booking direct with Parkdean Resorts, so don't miss out!

Closer to the event we'll announce which brands and anglers will be visiting – check whiteacres.co.uk for more information.

WHITE ACRES PLEASURE FISHING RULES

- No keepnets to be used on any lakes at any time other than organised White Acres matches.
- Fishing permits must be purchased prior to fishing. If money is collected on the bank you will be charged double.
- Please fish on platforms or stoned area provided. Fishing between pegs is not permitted.
- No reserving pegs by leaving tackle in a swim. Any tackle found unattended will be removed by The Fisheries Team after ½ hour.
- Two rods are permitted on the pleasure lakes but only if one is a float rod and the other is a ledger rod.
- No fly fishing.
- Method feeders may be used, but must be free running to a bead. A minimum hook length of four inches may be used with this method.
- All leads and feeders must be free running to a bead.
- Please fish in front of you.
- BARBLESS HOOKS (no exceptions), maximum size 8.
- No floating the pole, fishing the rattler or tapping the water or any similar devices.
- No braided line on reels.
- NO MEAT OR TROUT PELLET and only 1 kilo of CARP pellet per session.
- No bivvying up on the pleasure lakes.
- Please don't damage trees or shrubs. Treat other anglers with respect.
- All anglers must be in possession of a current Environment Agency rod licence. It is the anglers responsibility to ensure they are in possession of this to fish at White Acres or any of our offsite lakes.

Any problems regarding the fish or the fishery are to be reported to The Fisheries Team. The Fisheries Team reserve the right to add or alter these rules without prior notice, and to close any lakes as required for matches, festivals or environmental benefits without prior notice.

During the low season and festival weeks The Fisheries Team reserves the right to cancel matches, change match days, or combine matches without prior notice.

Please remove all litter from the lake and use the bins that are provided by The Fishing Lodge or the First Bite Café. Please enjoy the environment.

Dog walking around the lakes is not permitted between the hours of 10.00am and 4.00pm. Dogs must be kept on leads at all times and it is your responsibility to clean up after your dog. Anyone found not doing so may be asked to leave the park.

DO NOT DISCARD YOUR OLD BAIT INTO THE LAKE OR AROUND YOUR PEG

**PLEASE NOTE:
WHITE ACRES IS
UNABLE TO HIRE
KEEPNETS FOR
MATCHES**

WHITE ACRES COMPETITION FISHING RULES

Anglers must purchase a weekly fishing permit to fish one of our resident matches.

White Acres Match Rules for Gold, Bronze & Rover Residents' Matches

These rules apply to all matches held at White Acres.

By entering a match at White Acres you agree to abide by these rules. If you are found to have broken any of these rules, you will forfeit your place on the match and will not be permitted to continue in the match. Your match entry fees will not be returned to you.

We reserve the right to amend/add to these rules at any time without prior notice.

These rules are in place to ensure the smooth running of the match and to make the match an enjoyable experience for everyone who is taking part or spectating. If you are in any doubt about any of the rules, or have any questions, please ask a member of our Fisheries Team who are always happy to help.

Permitted Baits

Your bait allowance is eight pints made up of carp/coarse pellets, combined maggots and casters, corn and hemp. You cannot have more than four pints of combined maggots and casters, corn and hemp. You can have eight pints of pellet but you are then not allowed any other bait with you, other than from the additional bait list.

Additional Baits

- A maximum of 1 kilo of worms.
- A maximum of 2 kilos of groundbait (including your paste).

- A maximum of half a loaf of bread.
- One small tub of mini boilies up to 10mm.

All of the above bait allowances refer to the amount of bait that you are allowed to take to the lake/your peg.

Surface/floating baits are not permitted and no balling in. You may catapult or throw small walnut sized balls. Please do not abuse this rule.

If you are found with more bait than the allowance listed here, or do not comply with the other requirements set out here relating to your bait, you are breaking White Acres rules and your place on the match will be forfeited and entry fees will not be returned.

Other Rules

1. All anglers must be in possession of a current Environment Agency rod licence. It is the anglers responsibility to ensure they are in possession of this to fish at White Acres or any of our offsite lakes.
2. **KEEPNETS ARE NOT TO GO INTO THE WATER UNTIL 15 MINUTES BEFORE THE START OF THE MATCH.** There is now a 60lb weight limit per net. Anything over 60lb in the net will not count. Two keepnets are required on all matches and three are desired but not essential. Just please bear in mind the 60lb limit. No rocks or

stones in your keepnets.

3. The floating method, candle or feeder floats or any adaptation of these methods are banned. A minimum hook length of four inches can be used on a method feeder/ bomb.
4. All feeders and bombs must be free running to a bead.
5. No buoyant topped wagglers/ splashers or any adaptation of these methods. The maximum width of a waggler is $\frac{3}{8}$ of an inch. **NO UNDER SHOTTING.**
6. No floating the pole, the rattler, cupping water or tapping the water. When fishing the pole you must use a pole rig with a correctly shotted float. The tip of your float must be a minimum of eight inches from your connector or elastic. **NO OVER SHOTTING.**
7. No using a second pole to feed whilst fishing.
8. No pole cups must pass over the water before the start of the match.
9. Barbless hooks only, maximum size 12. No braided line to be used (main line or hook length).
10. 16 metre pole limit.
11. Anyone found discarding their old bait into the lake or around their peg will be disqualified.

Conduct During the Matches

We expect all competitors in matches to behave appropriately during matches and, in particular, to respect other competitors and not to engage in behaviour that is offensive, disruptive or likely to cause harm to other competitors, visitors and spectators or staff at White Acres, or cause harm to property. If The Fisheries Team, or any other member of the staff at White Acres feels your behaviour is offensive, disruptive, illegal or likely to cause harm as set out above, you will be required to forfeit the match and not take any further part in it, and your entry fees will not be refunded. In the event of a dispute concerning these rules or conduct during the match, the decision of The Fisheries Team is final.

If you are staying in a privately owned accommodation or are a holiday home owner and win one of our matches, you are not entitled to the free holiday. You will be invited back to winners' week but you will have to pay £99 for your week's accommodation should you wish to take up the offer and fish the mini-festival.

Please Note: White Acres is unable to hire out keepnets. The Fisheries Team reserve the right to close any lakes as required for matches, festivals and/or environmental benefits without prior notice. During low season and festival weeks The Fisheries Team reserves the right to cancel matches, change match days and/or combine matches without prior notice.

WHITE ACRES SPECIMEN LAKES

Pats Pool 22 Pegs, 2.2 Acres

Pats Pool is our main specimen lake with Carp from 10lb to 33lb and many Catfish from 5lb to 74lb and they take boilies so watch out! Depths average from 3 feet to 7 feet down the dead arm. There are four islands to fish.

BEST BAITS

Boilies, large pellets.

STOCKING

Mirror, Common and Ghost Carp to 33lb, Catfish to 74lb.

METHOD

Heavy feed tends to put the fish off so a gentle approach is needed to outwit them.

Nelsons 24 Pegs, 2 Acres

Nelsons specimen lake is approximately two acres with Carp to 28lb and Catfish to 50lb. There are several Ghost Carp over 20lb - the best recorded is 27lb. Best results are late evening, night and early morning. Best baits are boilies and 21mm pellets. Feed lightly. Fish the margins when quiet.

BEST BAITS

Floating baits, boilies, large pellets.

STOCKING

Mirror, Catfish, Common and Ghost Carp.

METHOD

Heavy feed tends to put the fish off, so a gentle approach is needed to outwit them.

WHITE ACRES SPECIMEN FISHING RULES

1. Anglers must be in possession of a weekly fishing permit to fish our specimen lakes.
2. Large unhooking mats and a minimum of a 42" landing net are compulsory on the specimen lakes. A bucket of water must be kept next to your unhooking mat to wet your mat before you place any fish on it for unhooking. If fishing for Catfish you must use an appropriately sized mat/net/weigh sling.
3. Please do not lift any fish from the water until you have wet your unhooking mat and have your weigh sling and scales ready, so that the fish is out of the water for the shortest period of time possible. All fish must be returned to the water in your weigh sling after weighing.
4. When photographing your fish you must be knelt down over your unhooking mat. **AT NO POINT SHOULD YOU BE STOOD UP HOLDING YOUR FISH.**
5. No retaining fish in sacks or keepnets at any time, day or night.
6. All rigs must be safe so that the fish can get rid of the lead should your line break. All rigs must have a minimum of 18" of anti-tangle tubing or something similar (a safe zone leader). **NO FIXED RIGS. PLEASE MAKE SURE ALL RIGS ARE SAFE - IF IN DOUBT PLEASE ASK A MEMBER OF THE FISHERIES TEAM.**
7. Barbless hooks to be used at all times. **NO EXCEPTIONS.** Micro barbed and pinched barbed are not accepted. **NO TREBLES.** Maximum size 4, minimum size 10 (up to size 2 can be used for Catfish only). No bent hook rigs or beach caster method to be used; no circle or eagle claw hooks to be used for Catfish.
8. Minimum line strength of 12lb to be used. No pole or feeder fishing at any time. Minimum 15lb to be used when fishing for Catfish. **NO BRAIDED MAIN LINE.**
9. Rods with a minimum of a 2.5lb test curve must be used. You may only use a maximum of three rods at any one time. No rods to be left in the water unattended at any time.
10. Bait boats are permitted provided they are used sensibly.
11. No heavy baiting. No nuts, peas or beans. No live baiting or dead baiting. Plugs and spinners are not allowed to be used.
12. No reserving pegs by leaving tackle or bivvys in the swim. If tackle is left unattended it will be removed after one hour by The Fisheries Team.
13. **NO LITTER TO BE LEFT IN YOUR SWIM OR AT THE LAKE WHATSOEVER.** Do not discard your old bait into the lake or around your peg as this encourages vermin and can contribute to poor water quality.
14. Any damage to the fish or the fishery must be reported to a member of The Fisheries Team.
15. Please do not damage any trees or shrubs.
16. All anglers under the age of 16 must be accompanied by an adult if night fishing.
17. An independent angler must witness Carp or Catfish of the Week (not family).
18. No responsibility will be accepted for loss, theft or damage to any fishing tackle/equipment.
19. All aspects of the rules are at the sole discretion of The Fisheries Team.
20. Please use anti-septic/Carp care treatment for hook and small injuries.
21. Please respect the environment and take your rubbish with you.

Specimen Anglers

Carp of the Week Senior/Ladies/Junior sections. Catfish of the Week. All fish to be independently witnessed (not by family). One entry per angler. All entries Carp/Catfish of the Week to be in by 1.00pm Thursday.

Please make sure all rigs are safe and not fixed. All rigs must be free running to ensure the quality of the fish and fishing.

WHITE ACRES OFFSITE LAKES

Bolingey 50 Pegs, 3.5 Acres

Twelve miles from White Acres and one mile from Perranporth, this is one of the top ten fisheries in the country. Pleasure weights over 100lb and festival weights over 200lb. The fish range from 1lb to 20lb. Strong tackle is needed as you never know what's next. Strict rules apply - please ask at The Fishing Lodge. You must book early as this lake is very popular.

BEST BAITS

Pellet, paste, corn. All baits will work as the lake is solid, just don't let the fish see the bait in your hands or you will have to brush the fish off your lap!

STOCKING

Mirror, Common and Ghost Carp up to 20lb.

METHOD

The bigger fish come up in the water or down the margins. The feeder will work tight to the island.

- Places are restricted to 30 anglers per day - please book in advance on arrival in The Fishing Lodge.
- On the morning you are going to the lake, all party members that are registered to go must come to The Tackle Shop, show their fishing permit and be ticked off the list. If you are found at the lake without your fishing permit, or your name not ticked off the list, you will be asked to leave the lake.
- All meat products are banned on the lake.
- Fishing time is from 8.30am and you must be off the lake and out of the car park by 6.00pm.
- One rod only.
- No floating baits, boilies or cat meat.
- White Acres rules apply.
- Open early April to end of October.

Trewaters 36 Pegs, 2 Acres approx

'Middle Lake' and 'Bottom Lake' are both one acre in size and hold 18 well-spaced pegs on each. The lakes are approximately 19 meters wide and five feet deep, and both are stocked with plenty of Carp, F1s, Tench and Skimmers.

- Trewaters is available for private match bookings only. Please contact The Fisheries Team for more information.
- White Acres can provide a full match pack including scales, weigh sling, weight sheet and results sheet if required. If you fill in your top six form we will publish the match results on our website.
- Resident match every Tuesday, subject to availability.
- Open match every Sunday, subject to availability.
